## **Artist Submission Guide**

The Baccalieu Gallery is committed to making the finest original works available from the best artists. All decisions on artist representation are the responsibility of The Baccalieu Gallery owner Jeanette Jobson. Please not make solicitations by phone or in person to our retail Gallery location.

**The Gallery theme is nautical and aquatic and all pieces have a direct or indirect connection to water. This category is broad and aside from classic nautical and seascapes may include animals and birds that are found in aquatic environments, plant life that grows in ocean, lakes or ponds or figurative pieces that have a strong water element within them.**

If you would like to have your work considered for exhibition at the gallery, please provide the following information by email at the address below.

## **Documents required**

- Artist biography

- Art resume

- Attach 3 – 6 examples of the art work you wish to have reviewed for exhibition in the gallery (please keep files to under 1mb each in size) OR provide a link to your website and the pieces that you are submitting or other place online where your relevant artwork may be viewed.

**All artwork must be created within the last two years and have a connection to water.**

**Submissions are accepted electronically only.**

**All artist submissions should have Artist Submission in the subject line and be emailed to [theartist@jeanettejobson.com](mailto:theartist@jeanettejobson.com)**

**The gallery will contact you if there is interest in your work.**

**Thank you.**
